2. No duplication: Unless with sound reasons, Macao Foundation will not grant subsidies to the same project more than once.

## Remarks:

1. If the applicant/institution satisfies all the abovementioned basic criteria for subsidies application, it is then considered as a qualified applicant and can submit applications to us.
2. If the applicant/institution fails to satisfy one of the abovementioned basic criteria for subsidies application, it is then considered as a disqualified applicant, but the applicant/institution can decide whether or not to submit applications to us.
3. If the applicant is a subsidiary or a branch of a parent organization and is linked financially with it, then the applicant should submit its application via its parent organization. However, such rule is not applicable to the applicants that are registered in Macao while the parent organizations are registered outside Macao.
